

CODETANTRA

Profile - Technical Trainer

Name: Jathin Kumar Chilamakuri

Employee ID: CT0755

Designation: Technical Trainer

Qualification: B.Tech(CSE-AI)

Date of Joining: 2025-09-01 00:00:00

Experience in Years: 0 Years 10 Months 15 Days

Company Mail: jathinc@codetantra.in

Phone Number: 6300435064

Trainer Rating: ★★★★★

Core Skills

■ N8N ■ Agentic AI ■ Java ■ C ■ Prompt Engineering ■ Data Structures & Algorithms

Professional Summary

An accomplished Technical Trainer with 0 Years 10 Months 15 Days of experience in delivering high-quality technical training and mentoring aspiring professionals. Possesses strong expertise in N8N, Agentic AI, Java, C, and Prompt Engineering. Experienced in delivering instructor-led classroom and online training with a strong emphasis on hands-on learning, coding practices, and project-based education. Skilled in curriculum delivery, student mentoring, technical assessments, project guidance, and preparing learners for academic excellence and industry careers. Actively integrates emerging technologies and real-world use cases into the learning experience. Recognized for excellent communication, learner engagement, and the ability to simplify complex technical concepts into practical, easy-to-understand sessions.

Professional Certifications

npTEL certificate - IOT Subject

Professional Highlights

- Delivered technical training programs across academic and industry environments.
- Conducted hands-on sessions with practical coding exercises and real-world projects.
- Mentored students in programming, project development, and technical skill enhancement.
- Guided learners for coding assessments, technical interviews, and placement preparation.
- Designed outcome-based learning activities to improve practical implementation skills.
- Experienced in classroom, online, and hybrid training delivery.
